

Garden Project Planner Template

Plan one new bed, container area, path, border, or seasonal garden improvement. Capture the site, choices, materials, and finite setup work without turning the page into a recurring care calendar.

PRINTABLE WORKSHEET

Site and outcome

- ☐ Bed, area, or project: _____
- ☐ Finished result: _____
- ☐ Dimensions and sun exposure: _____
- ☐ Soil, drainage, or access note: _____

Plants and materials

- ☐ Plants, varieties, or quantities: _____
- ☐ Spacing or layout reference: _____
- ☐ Soil, compost, mulch, edging, or support: _____
- ☐ Tool or delivery needed: _____

Project actions

- ☐ Clear, mark, or prepare: _____
- ☐ Build or amend: _____
- ☐ Plant or install: _____
- ☐ Water, label, or finish setup: _____

Next visit

- ☐ Completed: _____
- ☐ Weather or site blocker: _____
- ☐ Material still needed: _____
- ☐ Next visit starts with: _____

This finite project sheet is not horticultural advice, a pesticide or fertilizer record, irrigation design, landscape contract, recurring care schedule, or local environmental compliance document.
