

Hobby Project Planner Template

Plan a hobby build, restoration, creative project, experiment, or personal design without forcing it into a business workflow. Capture the current state and make the next session easy to restart.

PRINTABLE WORKSHEET

Project and current state

- ☐ Hobby project: _____
- ☐ Finished result: _____
- ☐ Current state: _____
- ☐ What I want to learn or try: _____

Parts, materials, and experiments

- ☐ Parts or materials: _____
- ☐ Tools or references: _____
- ☐ Experiment or decision: _____
- ☐ Blocked by: _____

Next session

- ☐ Backlog ideas: _____
- ☐ Next action 1: _____
- ☐ Next action 2: _____
- ☐ Next action 3: _____

Progress and restart

- ☐ Completed step: _____
- ☐ What worked or failed: _____
- ☐ Change for next time: _____
- ☐ When I return, start with: _____

This is a general hobby-planning worksheet. Keep design files, safety procedures, inventories, budgets, and regulated records in appropriate tools.
